Smarter Lunchrooms Goals Completed:

- Daily fruit options are written legibly on menu boards in all service and dining areas.
- All vegetable names are printed/written on name cards.
- Daily targeted entrées have been provided creative or descriptive names.
- Reimbursable “Combo Meal” pairings are available and promoted daily.
- Reimbursable “Combo Meal” pairings are promoted on signs or posters.
- Posters displaying healthful foods are visible and readable within all service and dining areas.
- Menu boards featuring today’s meal components are visible and readable within all service areas.
- A dedicated space/menu board is visible and readable within all service areas where students can see tomorrow’s menu.
- Students artwork is displayed in the service/dining areas.
- All targeted entrée names are written and legible on menu boards.

Strategies Used to Complete Goals:

- Making items more visible and accessible
- Signage on the line
- Creative names for menu items
- Involvement with students including student art
- Menus more visible throughout school
- Menu boards

Key Successes:

- Displaying menu boards: white boards that list the meal components and are placed in such a way that they are visible and readable within all service areas.
- Student artwork of fruits and vegetables was exhibited in the lunchroom.
- Including signage on the line that labels which items are included in a reimbursable meal.
